

What if we disagree?

Sometimes, we don't agree, even with our friends and family. What should you do when that happens?

My friend's name _____

My friend and I sometimes think differently about:

My friend thinks and/or feels:

I think and/or feel:

Here's what happens when we listen to each other's point of view:

Sage and Jaz have been best friends forever. They love all the same things.

But what happens when Sage gets kittens and Jaz gets a puppy?
